

The Galleries

Situated in the town centre of Toulon, the Scholl Gallery and the Annexe are an exhibitions spaces which enables ESADTPM graduates to confront presenting their work to the public.

A place of learning

The experience of exhibiting, which inscribes itself in one's approach to showing personal work, enables the young graduates to acquire their first experience of confronting the public with their work.

They must take into consideration all the stages followed in the elaboration of such a project (communication, logistics, installation and dismantling, etc.).

Throughout the realisation of this project, the teaching staff of the ESADTPM helps and advises the young graduates.

Exhibitions place

La Galerie de l'école:

Organised as a monthly cycle (3 weeks of exhibiting and 1 week for the installation) these exhibitions enable the students the experience the overall management of an exhibition space.

This space is within premises on loan from the Town of Toulon, near the "Art Street". It measures approximately 35 m² white walls and a "shop" window onto the street.

In parallel to this the graduate student(s) benefit from a group exhibition, the year following their qualification, in "La galerie de l'école". Gallery also receiving exhibitions of invited artists, Workshops...
